

South Cove Manor at Quincy Point

*a non-profit rehabilitation
and care community*

288 Washington Street,
Quincy, MA 02169
www.SouthCoveManor.org
617-423-0590

South Cove Manor at Quincy Point's state-of-the-art campus integrates leading edge facilities in a welcoming community. We specialize in:

- **Short Term Rehabilitation**
- **Long Stay Services**
- **Respite Care**
- **End of Life Care**

Care

The resident is the most important member of the care team and our rehabilitative and nursing services focus on each person's unique goals and preferences.

South Cove Manor at Quincy Point is a multicultural community and we believe in respecting the people we serve and honoring their traditions.

We feature:

- Multilingual staff fluent in 12 languages including English, Mandarin, and Cantonese
- Individualized therapy available days and evenings, 7 days a week
- Full time rehabilitation director
- Full time speech-language pathologist, physical therapists, and occupational therapists
- Registered nurses around the clock, 7 days a week
- Staff clinical dietitian and consulting clinical pharmacist
- Choice of house physicians and the opportunity to be followed by your personal physician

Quality

South Cove Manor at Quincy Point has an unparalleled history of quality.

We never take a break from investing in quality care — our comprehensive quality assurance and performance improvement program runs 24/7, and involves all of our staff from frontline caregivers to administration.

**5 Star rating from the
Centers for Medicare and Medicaid Services**

This national rating is based on state health inspections, staffing levels, and quality measures.

**Ranked one of the country's best nursing homes
by US News & World Report every year
since the ranking started over a decade ago.**
