

South Cove Manor at Quincy Point Rehabilitation Center

South Cove Manor Updates

Dear Family and Friends of South Cove Manor:

Over the past few days, we have had three staff members, and one resident test positive for COVID-19 – an office staff member, a front desk staff member, a Nurse that has recently worked on both the first and second floors, and a first-floor resident that was recently admitted. The resident had tested negative in the hospital prior to admission and tested negative here on the day of their admission. It is our belief that the resident acquired the virus while at the hospital, and that there wasn't enough of a viral load to test positive until this morning. The resident remains a room by themselves and will continue to be quarantined for the next 10 days.

While we do not think any of these cases are related to one another, we felt it was important to let all of you know that we will be implementing our outbreak testing protocols in the building. This will involve testing all potentially exposed residents and staff every three days for the next week. In addition, while conducting outbreak testing, we are required to keep residents that are potentially exposed on their courtyards. This means that we are not permitted to have large group activities where potentially exposed residents are interacting with those residents that were not potentially exposed.

We will keep you informed should any additional positive cases arise and would ask that any visitors that are immunocompromised refrain from visits during this period out of an abundance of caution.

Should you have any questions or concerns, please feel free to reach out to me, or Li Chen, our Administrator.

Thank you again for placing your trust in South Cove Manor.

Sincerely,
William J. Graves
President & CEO

中華頤養院更新

親愛的中華頤養院的家人和朋友：

在過去的幾天裡，我們有 3 名工作人員，1 名居民的 COVID-19 檢測呈陽性——一名辦公室工作人員、一名前台工作人員、一名最近在一樓和二樓工作的護士，以及一名最近入住的一樓居民。該居民入院前在醫院檢測呈陰性，入院當天在這裡檢測呈陰性。我們認為該居民在醫院感染了病毒，直到今天早上積累了足夠的病毒載量才檢測出陽性。居民自己一個房間，並將在接下來的 10 天內繼續被隔離。

雖然我們認為這些病例中没有一个彼此相关，但我們認為重要的是要讓你們所有人知道我們將在大樓內實施我們的爆發測試協議。這將涉及每三天對所有可能接觸病毒的院民和工作人員進行一次檢測。此外，在進行疫情檢測時，我們需要將可能暴露在庭院中的院民留在他們的庭院中。這意味著我們不允許進行大型團體活動，其中潛在暴露的院民正在與那些可能沒有暴露的院民互動。

如果出現任何其他陽性病例，我們將隨時通知您，並要求任何免疫功能低下的訪客在此期間出于謹慎謹慎而避免訪問。

如果您有任何問題，請隨時與陳力或我聯繫。

再次感謝您對中華頤養院的信任。

真摯地，

威廉·J·格雷夫斯
總裁兼首席執行官
